US Highway 52 southeast of Minot temporarily closed due to water over roadway

The North Dakota Department of Transportation (NDDOT) and the ND Highway Patrol have temporarily closed US Highway 52 approximately two miles southeast of Minot due to water over the roadway. Motorists should use ND Highway 41 and US Highway 2.

Motorists can access state road information, including on highways affected by flood waters and construction projects, by going to www.dot.nd.gov or by calling 511 from any type of phone.
